RIPE 55: The day the routers died

Chorus... (time to let your voice)

So bye bye, for RIPE 55

Be prepared to upgrade it or your network

Who just makes me let out a sigh

But I spose we'd better give it a try

I suppose we'd better give it a try

What's the secret behind the WG?

Reasons we do this

- Tradition
- Part of our culture
- Don't take ourselves too seriously
- Take a step back and observe ourselves
- Creates community memory
- Ties us together as a community

The Secret WG wants you!
