

# RIPE

Welcome to  
the RIPE 85 Student Event

---

RIPE = Réseaux IP Européens

# A Quick Introduction

---

**Mirjam Kühne**

Moderator  
RIPE Chair

**Bert Hubert**

Founder, PowerDNS

**Vesna Manojlovic**

Community Builder,  
RIPE NCC

# Agenda

---

- **Who controls the Internet?**
  - Bert Hubert
- **Equity, Ethics and Environmental Sustainability of the Internet**
  - Vesna Manojlovic
- **How can you influence the operations of the Internet?**
  - Mirjam Kühne

# Why are we here?

---

- Because RIPE 85 is coming to Belgrade
- Biggest meeting for network operators
  - in Europe, Middle East and Central Asia
- 30 years of collaborative decision-making to shape the future of the Internet
- Sharing expertise, technical coordination, and networking
- And we're an open community!

# Become part of the RIPE community!

---

- RIPE is open to anyone
- Everyone is welcome
- Easy to participate
- You can influence the future of the Internet
- Defend the open Internet

# Housekeeping

---

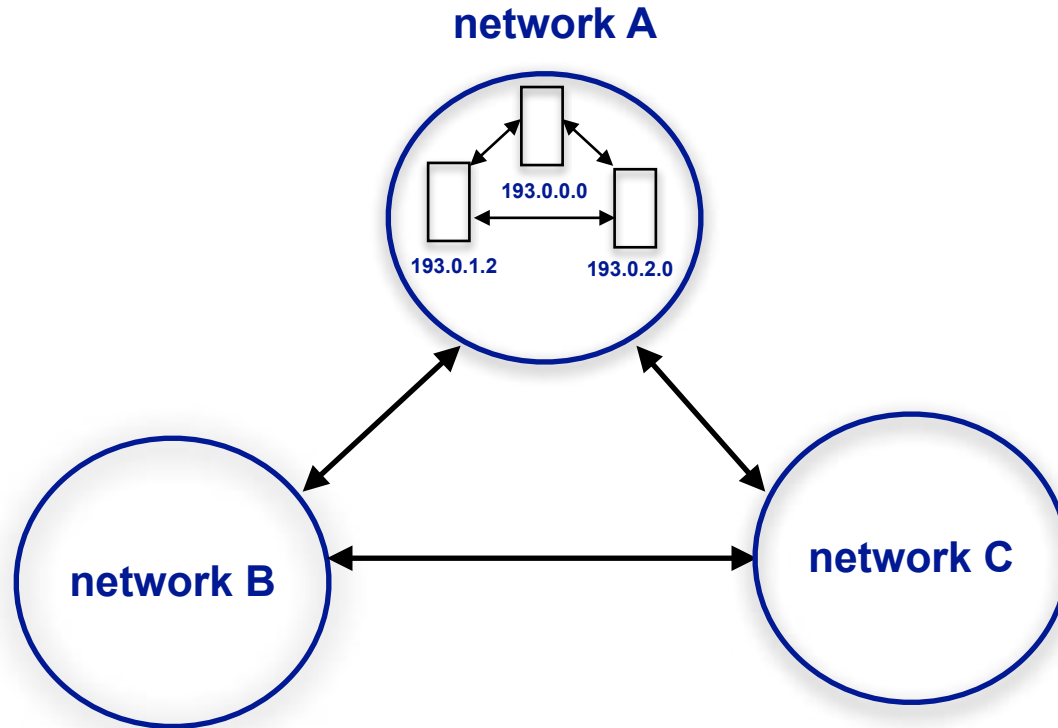

- **Mute:** Please keep yourself on mute when not speaking
- **Raise Your Hand:** Feel free to ask questions by raising your hand
- **Use the Chat:** Use the chat to introduce yourself, add comments or ask a question

---

# What is RIPE?

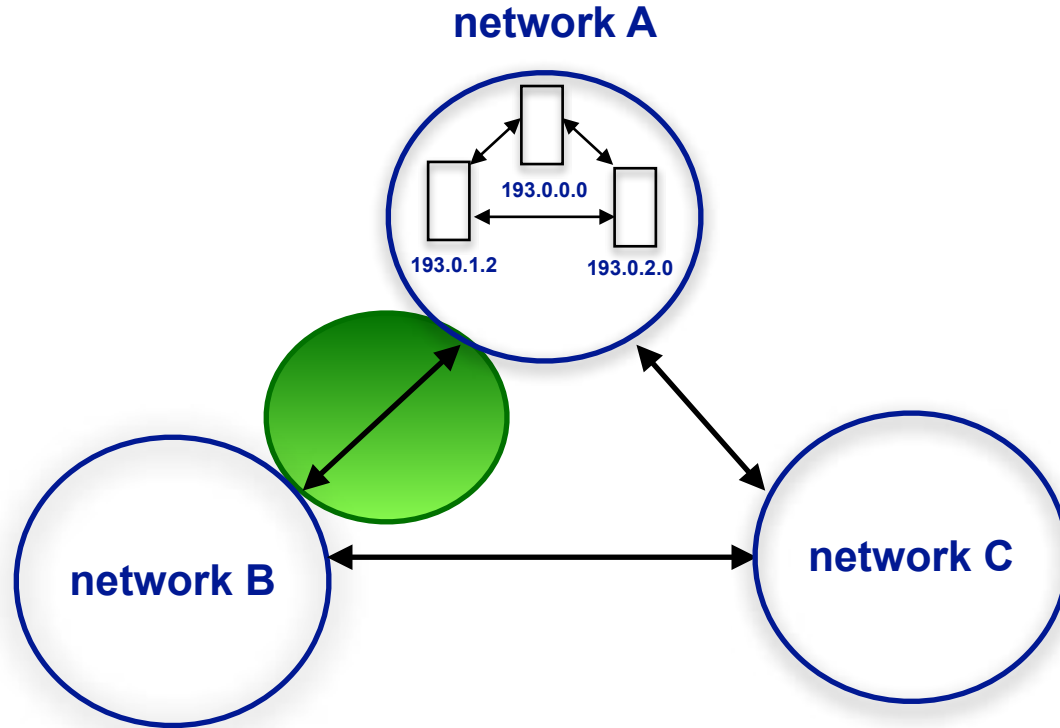

# A Network of Networks

# A Network of Networks

# What is RIPE?

---

- Technical coordination to enable the operation of the Internet
- Knowledge sharing
- Open to everyone who is interested (this includes YOU)
- Participation is voluntary
- Working Groups, mailing lists, and RIPE Meetings
- Decisions made by consensus
